

# Help us help our community!

The community center, built in 1978, is starting to show its age and is in need of upgrades and repairs to improve the site and make it possible to expand the center's use.

This project seeks to improve:

- ◆ Lighting
- ◆ Flooring
- ◆ Windows
- ◆ Sidewalks
- ◆ Interior Painting
- ◆ The Transportation Dropoff site
- ◆ Gym improvements
- ◆ Senior Center Programing

The scope of the project will be dependent on the total grant dollars and matching funds. With your help, we can do more to help the Community Center provide more for our community.

## What do we need to be successful? Your support!

The total cost of the project is estimated at \$80,000-\$100,000. The city is applying for grants which *require* local support and matching funds. We are seeking donations from individuals and businesses to show their support and help fund the upgrades and repairs. The overall number of donations will help to show grant makers that there is community support!

Donation levels or recognition:

\$1-\$999—name on website and in the chamber newsletter

\$1,000-44,999—name on website, in chamber newsletter and in newspaper

\$5,000 and up—name on website, in chamber newsletter, in newspaper and on plaque in the center

**Donations of any amount are welcome and should be made to:**

**Community Center Rehab Project**

c/o: Fairbury Civic Foundation

PO Box 554, 612 D St.

Fairbury, NE 68352

In order to be helpful for grant matching funds, donations are needed by **May 27**.

A project of:

**Founded to Move Forward**

With support from:

**FAIRBURY CIVIC FOUNDATION**

**Fairbury Public Library**

**Jefferson County Veterans' Services**
